4. After logging in the home window will appear in which the available books are shown. User can add the quantity that he/she wants to purchase.

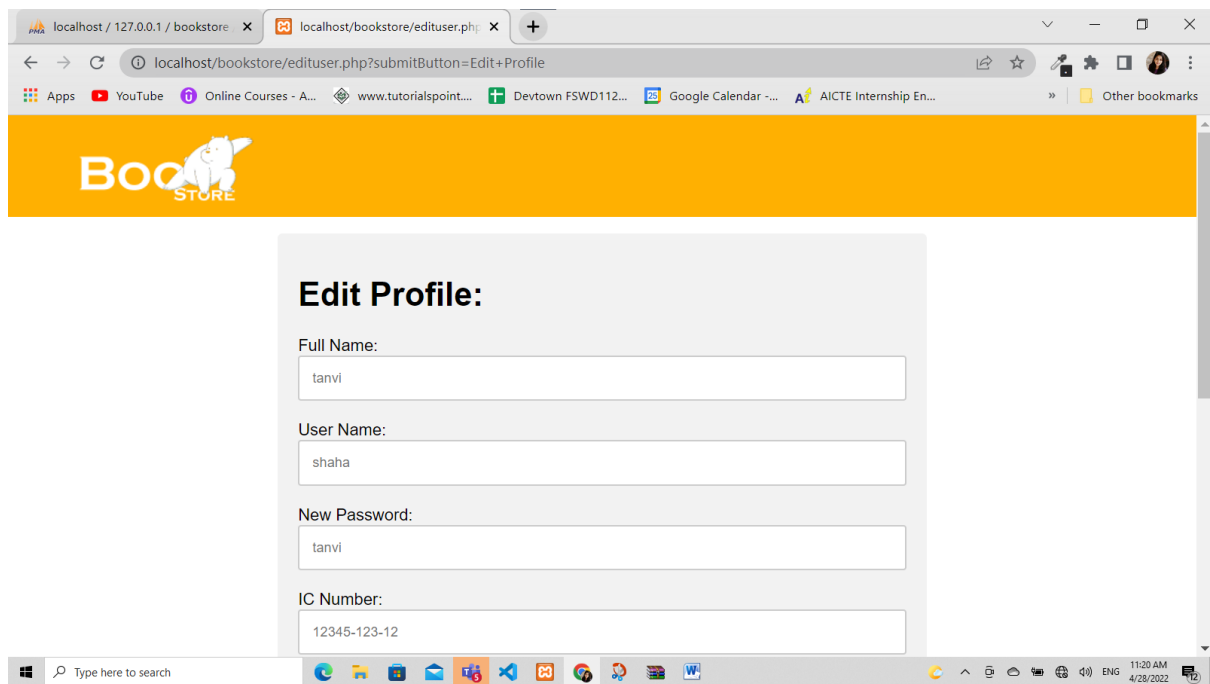

5. After clicking on checkout bill window will appear in which the total amount and shipping address will be shown.

6. If user want to continue shopping he/she can continue using clicking on continue shopping button.

## 7. User can edit his/her profile.

The screenshot shows a web browser window with the address bar displaying 'localhost / 127.0.0.1 / bookstore' and 'localhost/bookstore/edituser.php?submitButton=Edit+Profile'. The browser's bookmark bar includes 'Apps', 'YouTube', 'Online Courses - A...', 'www.tutorialspoint...', 'Devtown FSWD112...', 'Google Calendar - ...', and 'AICTE Internship En...'. The website's header is orange with the 'BookSTORE' logo. The main content area features a light gray box titled 'Edit Profile:' containing four form fields:

- Full Name:** A text input field containing 'tanvi'.
- User Name:** A text input field containing 'shaha'.
- New Password:** A text input field containing 'tanvi'.
- IC Number:** A text input field containing '12345-123-12'.

The Windows taskbar at the bottom shows the search bar, task view button, and several application icons. The system tray on the right indicates the time is 11:20 AM on 4/28/2022, with language set to ENG.
